Gracious God, we celebrate you, our heavenly Father. We thank you for being our provider and protector. When sickness and disease threaten, you are our healer. In times of distress and trouble, you are our deliverer.

Loving God, nurses, doctors and all on the frontlines, we lift them to you. In the midst of the COVID-19 pandemic, we are all hurting and don’t know what to do. We pray that you will heal our hurting hearts, Lord, your creation renew; we are depending on you God, we know you are Faithful and true.

O God of the wind, the rain and the flames, we ask of you to come and draw near. Your people, in this hurricane season, are tempted to worry and fear. From the ravages of storms, please God shelter us. God, please, your people spare. Teach our hearts to trust you, loving God, for we know you love us and you care.

God of power and might, the whole world is at your command. God of love and mercy, our lives are in your hands. God of justice and truth bless your people; heal our lives and lands. God of nations, languages, tribes, peoples and tongues, fulfill in us your divine purpose and perfect plans. In Jesus’ name we pray. Amen.

Food Pantry
Many, many thanks to all our parishioners who have supported the Food Pantry through these last few months with food, gift cards and monetary donations. The number of families we serve has increased and we have been so fortunate to have kept a well stocked pantry and been able to provide for them. As always there are some items that go quickly, that we are in need of. Please help by donating one or two of these items: instant potatoes, canned chicken, salad dressings, juice, oil, mayonnaise (small jars are fine), laundry detergent and paper napkins. God bless you for your support of the Food Pantry and your concern for the needy.

Focus on Religious Freedom
Singing, Bible Study, Fellowship & Worship Banned - Again!
A network of California churches filed a lawsuit in July against Gov. Gavin Newsom after he re-imposed a coronavirus lockdown with orders against holding church services and bans on singing, chanting and all private home religious gatherings. “We’ve been essential for 2,000 years,” said a CA Pastor, Che Ahn. “Newsom encourages tens of thousands of people to gather for mass protests, (but) he bans in-person worship and home Bible studies and fellowship. Such expression is well-known in despotic governments and it is shocking that even home fellowship is banned in America,” said Matt Staver, chairman of Liberty Counsel. “This outrage will not stand.”

Gov. Newsom is not the only governor unconstitutionally restricting church activities. Federal lawsuits are also pending in Courts of Appeal against Illinois, Kentucky, Maine and Virginia. However, federal courts around the country are split on whether religious liberty protections of the 1st Amendment will stand during a pandemic. It is troubling that court in New Mexico recently ruled against the First Amendment.

Defending Religious Freedom
“Gathering, in short, is at the core of faith and religion...This time of restriction and confinement has confirmed for me that no freedom is more important than religious freedom,” said Elder David Bednar of the church of Jesus Christ of Latter-Day Saints. “Protecting a person’s physical health from
the coronavirus is, of course, important, but so is a person’s spiritual health...Never again must the fundamental right to worship God be trivialized below the ability to buy gasoline.”
